Dear Sir:

I write to present and offer our beach housing service “**Sports Dorms**” for your upcoming tournament in the City of North Myrtle Beach. We have experience housing student groups of all types since 1988. Through the years we have gained knowledge and expertise in servicing the student aged group travel segment of our tourism economy. We know that traveling teams would ultimately like to be in accommodations where they can “**Stay All Together**” next to the **beach**, rather than a highway motel.

We have formed a team friendly group of over 30 large privately owned **beach houses, condo blocks**, and our world famous **Catalina Manor** through our Sports Dorms program. Private owners want to participate in the new sport tourism economy and have joined up with our effort to bring the very best offering to your tournament participants.

- Low affordable rates,
- Housing options where the whole team can stay together,
- Fantastic team friendly facilities,
- Online team registration and payment options,
- Custom options such as catering and team photo shoots.

Our goal is to make your tournament successful by giving your participants an awesome beachside experience. Please call with your questions and let us know how we can help.
