

Greek President Responsibility Form

Myrtle Beach Tours would like to thank you for arranging your Greek organization's visit with us in beautiful North Myrtle Beach. Our mutual goal is for you to have a successful trip. In assisting in the success of your groups stay with us, we hope to continue to be the destination of choice for your Greek organization.

Your essential leadership role as President is key to ensuring that your group has a successful stay. Just as you govern on campus to keep things running smoothly, it's important you do the same here at the beach. Myrtle Beach Tours maintains long-term success with many Greek organizations, and a successful legacy for your organization begins with you.

To help you fulfill this responsibility, please note the following list of "required" suggestions, sign the bottom, and attach it to the responsibility page as an addendum:

1. The President must sign the responsibility form and have it notarized. (Do this at your local bank)
2. The President must have each member of the group register online within 15 days of booking. (Follow the instructions on the preceding pages and use your ID and Password.)
3. The President must understand all of the rules of occupancy at Myrtle Beach Tours. Please understand that the units must be left in ready and acceptable condition for the next guest. (See responsibility form)
4. The President must understand that the unit must be left clean and acceptable for the next group and that all expenses relating to the groups departure, above the damage cleaning deposit, must be paid upon presentation of a statement. Statements will itemized by unit and pictures provided where warranted. Furthermore, the President understands that cleaning crews who clean up after Greek parties get paid substantially more than a typical cleaning crew in other environments.
5. The President must assign responsible people to monitor all units if this is a multiple unit reservation. Delegate!
6. A clean and clear copy of the President's Driver License must be attached to this document and further attached to the responsibility form that is to be signed and notarized by the President as well.
7. A group may not downsize reserved space after the deposit has been paid. Unfilled space is not a returnable item if unused. Myrtle Beach Tours depends on selling space on key weeks and often turns groups away when prime space is reserved. No downsizing after the deposit has been made.

President's Printed name: _____

President's Address: _____

President's Phone number: _____

President's Signature : _____
