This form serves as an application to seek team housing for the tournament outside of tournament approved housing.

Reason for requesting application:

Alternative Housing

Name of Property _____

Address _____

Management Company Name _____

Contact Name _____

Contact Number _____

Principles of Tournament Housing

All tournament approved houses are certified as student friendly. They are inspected and are only occupied up to the stated occupancy limit. Occupancy over the published limit is a violation of the tournament principles, against local city ordinance laws, against fire department occupancy guidelines. All team housing should be located within the city limits of North Myrtle Beach (tournament agreement with the City of North Myrtle Beach indicates all teams should stay inside city limits).

In the past, teams experienced evictions due to over occupancy violations. Violations are almost always reported by neighbors to City authorities. These incidents disrupt the tournament and tarnish the institutional reputation of the overall tournament and associated college or University.

I hereby certify that this application for alternative uncertified housing occupancy does not violate any of the above tournament housing principles.
