Our flagship property. With 16 units in a top of the line, modern facility. Each unit is a tribute to a legendary surfing spot from around the world. All celebrate the surfing lifestyle.

This contemporary coastal house is comprised of 15 modern units that can be rented individually or collectively.

Classic Beach Houses

Old favorites with fraternities and large student groups. Our houses are clustered together for the ultimate social beach experience.

Summer Sea Inn

The original Inn... Units can be rented individually or collectively for the ultimate oceanfront beach house. This complex has a HUGE deck.

Condo's

We have access to dozens of private condos for students that desire a quiet stay at the beach. You can view our selections online.

To keep things running smooth, Myrtle Beach Tours carries the original theme of being a company for students by letting college interns help run the program. We give valuable business experience to over 8 interns a season, learning the ins and outs of a high volume student vacation business. Office organization, supervision, event planning, and basic hospitality are but a few of the skills learned from a season with Myrtle Beach Tours.
